## **Sekuworks, LLC and Pacific Bancnote Company, Inc. Enter Into a Manufacturing and Supplier Partnership**

**Harrison, OH.** - May 15, 2009 - Sekuworks, LLC, a wholly owned subsidiary of SCT International, LLC, announced today that it has entered into an exclusive Manufacturing and Supplier Partnership with Pacific Bancnote Company, Inc. Under this agreement, Sekuworks will produce all security documents for Pacific Bancnote's customers at its NASPO Class I certified facility using its 'currency secure' intaglio technology.

Tom O'Toole, Owner and President of Pacific, commented, "We began our relationship with Sekuworks on April 1, 2009 and have been extremely pleased with the results." Pacific is rapidly scaling up existing and new clients with Sekuworks manufactured products.

Jim Columbus, Director of Production for Sekuworks, stated "We have worked with Tom in the past and look forward to supporting Pacific Bancnote, one of the true pioneers and leaders in providing intaglio printed government vital records and other high security documents." He further added, "Sekuworks intaglio sheet capability fully supports Pacific's current needs and our *Sekuweb* technology offers options to create new state-of-the-art products."

### **About SCT International, LLC**

SCT International, LLC, an Atlanta, GA. based holding company, is an anti-counterfeiting solutions provider focused on commercial brand protection and government revenue and security document protection. SCT has emerged as a leading participant in this market by offering its commercial and government customers some of their most innovative anti-counterfeiting solutions. SCT continues to identify and pursue targeted opportunities which will expand its technology portfolio, product and services offerings, and customer base.

### **About Sekuworks, LLC**

Sekuworks, a Cincinnati, Ohio based company, provides full service global brand and revenue protection solutions. The Company's *Sekuweb*™ method for the production of complex, multi-layered security documents enables the integration and application of multiple security technologies in a web-based, single pass environment. The Northern Banknote division of Sekuworks, which began operations in 1891, produces high security documents for many world-wide governments and financial institutions. The Sekuworks NASPO Class One Certified maximum-security facility and project tracking system are unmatched in their ability to assure the highest level of accountability to customers around the world.

### **About Pacific Bancnote Company, Inc**

Pacific Bancnote is the leading provider of vital record base stock (birth, death and marriage) certificate paper to states, counties and municipalities. Pacific also provides stock certificates to publicly traded companies, MCO's to vehicle manufacturers and many other documents of high negotiable value. Owner and President, Tom O'Toole first pioneered the intaglio vital record paper over twenty-eight years ago and, since that time, has always set the highest industry standards by either increasing or improving the security features used today.
